Unhappy day for the people of Macleod when the new Macleod-Windermere road during the season, carrying it is estimated more than 20,000 visitors, mostly from the United States.

CAPITAL GOSSIP AND PROV. NEWS

Chicago Exhibits
Seed growers of Alberta who plan to exhibit seed at the Chicago International fair and grain show in December should lose no time in getting in their entries, as these must be in Chicago by November 10. The exhibits must be forwarded to the clearing points at Clarendon School of Agriculture, or the University of Alberta. Here they will be sorted and forwarded to Chicago, the provincial government paying the freight from the assembling point.

Seed Plants Start Soon
Applications are coming in thick and fast from seed growers of the province to have their registered seed handled through the provincial government seed plant at Edmonton this fall. To date more than 50 seed growers have sent in applications. It is anticipated that the plant will handle about six times as much grain this season as last.

To Represent Canada
Alberta has won additional honour through the medium of the Edmonton Grads, basketball team, champions of the world, who have been granted permission by the amateur union of Canada to represent the province in Paris, France, in 1924, during the Olympic games.

Government Elevator at Edmonton
Preparations are now being made to commence construction of the million dollar government storage elevator which is to be established at Edmonton, on the National Railway line.

Some Good Corn Yields
Alberta is recording some good yields of corn this season. G. G. Scott, a farmer at Millard, near Edmonton, reports that he yielded four acres with Best Dent and Gibe, and secured 16 tons of grain to the acre, and expects a yield of 40 bushels to the acre from the corn. In the Taber district, on irrigated lands, a number of farmers have grown corn with much success this year. It is reported.

One Crop Pays For Farm
With low priced lands and heavy yields of grain in Alberta this year, some farmers have been able to accomplish wonders in the way of financing their farms. Williams Bros. of Consort, purchased a farm in the fall of 1921, which they prepared for crop last year and secured to what this year. They report that the crop they have taken of this fall has paid the expenses and the purchase price of the land in addition.

Fish From The North
From the Lesser Slave Lake, north of Edmonton, this season, fifty cars of fish were shipped to various points in the U.S.

Heavy Tourist Traffic
Figures produced by J. Wardle, superintendent of Bard Park, show that exceptionally heavy auto tourist traffic was recorded in the park

SYND OF PRESBYTERIAN CHURCH, ALTA. MEET AT CALGARY
Monday evening last week, Knox Church, Calgary found a large representative body of men and women from the city and all parts of the province. The meeting was called to discuss Church Union. The Rev. John Kennedy, Macleod was chairman.

It was a stirring sight to see so many determined men and women for the continuance of the Presbyterian church.

The subject was ably handled by the Rev. Brown, Short and Thomson also the Rev. Major McConnell, Dominion organizer.

The standing vote for the continuance and organization of the Presbyterian church in Canada, was unanimous.

At the close of the meeting they formed a Presbyterian Church Association for the city of Calgary. The subjects of this association is to look after the interests of all those members who wish to continue the Presbyterian church. The officers were elected from all the city churches.

The minutes of a Women's League was also formed.

On Wednesday a resolution was brought before the Synod by Rev. A. R. Reid, Edmonton, to appoint a committee of eight to represent the Synod at the first meeting of the general council.

An amendment was offered by Rev. W. G. Brown, Red Deer, seconded by Elder J. C. Robertson, Knox church, Lethbridge.

The amendment was defeated by 26 voting for and 32 against, and the motion declared adjourned. Mr. Brown then withdrew his amendment.

The amendment was defeated by 26 voting for and 32 against, and the motion declared adjourned. Mr. Brown then withdrew his amendment.

This was the smallest majority those in favor of union have experienced in the Presbyterian church in this province, and accordingly the anti-unionists were highly elated.

Resolution is Full
The resolution which was adopted by the narrow majority of four votes read as follows:

"That a committee of eight members be appointed to represent the Synod of Alberta at the first meeting of the general council of the Presbyterian Church of Canada."

The amendment was defeated by 26 voting for and 32 against, and the motion declared adjourned. Mr. Brown then withdrew his amendment.

"Whereas a request has come to this Synod that certain members of this court be appointed to represent the Presbyterian church in this province as members of the general council of a church that does not yet exist."

"And, whereas, if the enabling bills were passed by the dominion parliament, the general council would be called to meet within six weeks of the date of the passing of these bills, while the congregations are given six months in which to take action, thus creating a situation in which the general council would be dealing with the life and work of congregations that it did not represent."

"And, whereas, the action of a majority of the commissioners of the last general assembly in approving the enabling bills and appointing a committee, charged with the duty of presenting these bills to the dominion parliament for its approval has brought into being an entirely new state of this question that has not been submitted to the people by judgment on the matter of placing the enabling bills on the statute book."

"Therefore the Synod of Alberta respectfully recommends as follows: 1. That the parliament of Alberta be requested to take such action as is necessary to establish the competence or lack of competence of the general assembly to take the action that it has taken."

"2. If such competence can be established, that the parliament of Alberta be asked to direct the church to send down the whole question in its final form to the people before asking it, the parliament, to give its judgment on the matter of placing the enabling bills on the statute book."

"3. That copies of this resolution be sent to the members of the union committee, to the chairman and secretaries of the union committees of the other participating churches, to the members of the Dominion parliament and to the members of the legislature of this province."

Many a blockhead sent to school gets a hard-wood finish.

School-marks have substituted the tip-stick for the hickory stick.

Employer—Certainly not! We're much too busy at present.

Clark—Thank you very much, sir. You are exceedingly kind.

Clark—Can you let me see of this address? My wife wants me to go shopping with her.

Clark—Thank you very much, sir. You are exceedingly kind.

LOCAL AND PERSONAL NEWS

The Bremner Orchestra furnished music for a dance at Stately last week.

Mr. and Mrs. Hugh Black, of Spokane, are visitors with Mr. and Mrs. T. Leather.

R. F. Barnes, barrister, visited Blainmore the first part of this week on professional business.

Miss Lois Black, formerly of Macleod, now of Edmonton, is the guest of Mr. and Mrs. A. T. Leather.

Mr. A. H. Goodall, of Calgary will arrive in Macleod next Monday to visit her parents, Mr. and Mrs. S. Heag.

Many friends of Rev. W. A. Lewis former Methodist pastor at Macleod were glad to meet him on Sunday last on the occasion of his coming here to fill the pulpit for Rev. G. D. Armstrong.

Record congregations greeted Rev. W. A. Lewis in the Methodist church on Sunday, both morning and evening. In the afternoon the school house at Pearce was crowded to hear him. Here the special choir and orchestra rendered music for the Harvest Home services, where they heard a special message from their former pastor.

Mr. T. B. Jenkinson, of the Virgin, is Ranch at Cochrane, the well known polo pony breeder and exporter, was a business visitor in Macleod the first part of this week. In conjunction with his local representative, S. Heag, he purchased several points of fine quality. Mr. Jenkinson will return in three or four weeks with the object of further purchases.

Nurse Preux experienced a painful accident on Wednesday afternoon when out horse back riding. When crossing at the intersection of 18th Street and Second Avenue her horse lost its footing on the cement, and falling threw Miss Preux from the saddle. The lady was badly stunned and bruised by the fall but fortunately no bones were broken.

School commencement prizes in grades XI and XII were not awarded at the regular exercises some weeks since on account of results of departmental exams not being available. These prizes were awarded at the first meeting of the high school Literary Society after summer vacation, on October 15th. The prize for highest standing in grade XI went to Robert Warren, and in grade XII to William B. Watson—in both cases the awards of merit were books.

At 9 p.m. on Saturday night last the fire alarm was sounded and the fire brigade was soon hurrying to the Silver Grill where fire was located in the kitchen. From there it caught in the ceiling and the offices overhead. The chimney caught fire, and from there was hot enough to burn some of the woodwork. The brigade soon had the fire under control. Damage to the extent of about \$100 was done to the stock, and about the same amount to the building. The latter belongs to A. T. Leather, and is fully covered by insurance.

The Harvest Home supper given by the ladies of the Methodist church on Monday night, was a grand success. An invitation was sent out asking for help to carry on the supper and the response was so great that the ladies were forced to serve a second of provisions were still on hand, which were disposed of for the benefit of the fund. Following the supper there was a concert. The old favorite, Rev. W. A. Lewis, gave an address that encouraged all the workers in their line and gave a fresh start to those who may have felt discouraged. This is the beginning of

services both morning and evening. The preacher at both services was the Rev. Carl Swanson, Pastor of St. Augustine's, Lethbridge.

CHRIST CHURCH

Sunday, October 21st, (Children's Day)

2:30 p. m.—Special Children's Services.
7:30 p. m.—Evening.

DON'T FAIL TO WEAR A POPPY

Nearly every citizen in the Province of Alberta and throughout the whole Dominion will be wearing a poppy on the 11th of November as a mark of esteem for our gallant dead soldiers. The cities and towns in the province are responding nobly to the call made upon them for the promotion of this annual event. Judging by the number of orders received at Poppy Day Campaign Headquarters, Provincial Command G.W.V.A., Calgary, the sale of poppies this year will double that of former years, and it would seem as if the 11th of November approach greater dignity will be experienced by the staff to cope with the demand for these emblems.

By wearing a poppy on Armistice Day:

- 1.—You honor the Dead.
- 2.—You assist the disabled dependents by providing a source of employment in the manufacture of these poppies—they are all made in Canada.
- 3.—You assist the Veterans' Branch Department of Soldiers' Civil Re-establishment.
- 4.—You assist the widows and orphans of the men who served.
- 5.—You assist the widows and orphans of the men who served.

Any person who resides in isolated districts and outside the scope of any town which is handling poppies and unable to obtain them locally, may apply direct to Headquarters. For the sum of one dollar (\$1.00) either ten small poppies or four large ones will be sent in return.

THE BABY CLINIC WAS HIGHLY SUCCESSFUL

A very successful baby clinic was held by the Local Council of Women on 11th in the Parish Hall, which was kindly lent by the Rev. Mr. Davidson (Provincial) Health came from Medicine Hat to direct the clinic, and was greatly pleased with the arrangements. This is the first baby clinic held in Macleod to which Miss Davidson has been sent by the Health Department. The Local Council of Women has been very successful in the work of the baby clinic. The Local Council is greatly indebted to Dr. K. W. D. Kirk and Dr. Panet for their professional services in examining the 19 babies who were charted. This is the fifth successful baby clinic held in Macleod, and was well attended by mothers, which tends to show the growing interest in the work of the baby's health.

CARD OF THANKS

Mr. and Mrs. W. Davis (ex) wish to thank members of Christ Church congregation and many other friends and acquaintances for their kind letters and gifts on the anniversary of their golden wedding and to state that they still treasure the gifts and hold the givers always in the highest esteem.

We know a man who is very hard up and yet he has talent enough to compose a song just as foolish as "Yes, we have no bananas today."

MONARCH KNITTING BOOK

MISS A. M. WILSON

REACH & COMPANY, LTD.

DRY GOODS, BOOTS & SHOES, CLOTHING, ETC. GROCERIES AND PROVISIONS

Every farmer should have a root-house, however small, because the time is coming for a progressive man to hold his perishable stock for a rising market. Instead of that they bring the stuff directly it is out of the soil and expect the merchant to take it. The market is thereby glutted, and the root-houses or cellars of the store-keepers are crowded beyond their capacity.

Some farmers are very unreasonable. If they own a hill they expect to liquidate it by turning in all kinds of produce. Now, if the farmer had a root-house, however small, he would be practically independent; but the merchant will still take what produce he can without—as in the past—dumping vegetables of all descriptions beyond the capacity of cellar.

Every year we have had to throw away vegetables that had got heated—onions, potatoes, cabbage, turnips, carrots, etc., don't chum and fraternize together. They get heated in their arguments and the result is wholesale slaughter of the innocents.

A progressive farmer has to do lots of things he never did before. Next to a root-house or cellar is the silo. You can laugh—it has got to come—and will come—out of the farmer with live stock, for he must have cows. They are the bread and butter of a farmer. The poor hens eat almost anything, and the eggs to a farmer, whether consumed at home or sold to the trader, mean a source of wealth not to be despised.

Now, look at this. We have been moralizing about things to eat and learn how easy it is to be free from all foot ache and pains to wear. Never mind, we will talk to you next week.

ADVERTISING IN THE MACLEOD TIMES WILL PAY YOU

To bring you foot comfort
a demonstrator from Chicago
will be in our store
OCT. 19th & 20th

Every foot sufferer in town should meet this man and learn how easy it is to be free from all foot ache and pains. He will explain the merits of the well-known Dr. Scholl's Foot Comfort Appliances and Remedies, which have brought foot comfort to thousands of sufferers. There is a separate appliance or remedy for every form of foot trouble. Tell the demonstrator your foot troubles—and walk out of our store with foot like new. Jot down the date—it may mark the end of your foot misery.

Low Prices of Ford Closed Cars Attract Heavy Buying

The unusual opportunity to secure a new Ford Sedan for \$695 or a new Ford Coupe for \$95 has created such a heavy demand that the few cars remaining of the small original allotment will likely be sold within a few days—some Ford dealers are practically sold out now.

We will not be able to get more of these cars, as factory production has ceased on these models.

Orders are being booked and deliveries made strictly in turn.

Consider the value offered—the time saved—the comfort and the convenience of having a closed car for cold weather.

Let us enter your order at once if you wish to get a Ford closed car at present prices.

Old Prices	Reduction	New Prices
3-door Sedan \$795.00	\$100.00	\$695.00
Coupe	\$95.00	\$595.00

All Prices F.O.B. Ford, Ont.
New Four-door Sedans and entirely redesigned Coupes will be brought out at a substantial advance in price.
